

Take Your Kids Back in Time

Brian Ostrowski, author of *Blip the Bit: And His Adventures in Retroville*, has written his second children's book titled *When I Was Little (Just Like You)*. Beautifully illustrated by award-winning illustrator Aleksandar Sotirovski, the book outlines the differences between being a kid in the 70s and 80s and being a kid today.

The book is a great way for parents to give their children a glimpse of what life was like before the Internet, mobile devices, and play dates. A time when arcades, payphones, and roller rinks littered the landscape, and kids spent hours exploring, riding their bikes, using their imaginations, and playing in the dirt.

When I Was Little (Just Like You) will be available through Amazon.com in 2014.
